Director  
Office of Legislative Liaison  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Chuck:

*Chuck*

As a part of the continued effort to provide our Members with those materials which will facilitate their oversight responsibilities, the Committee is establishing a map library. Mr. Fred Ward, of our staff, is overseeing this effort. At Mr. Ward's request, your Map Services Division has furnished the Committee with its recent publication "CIA Maps Available for Authorized Government Use," dated June, 1984.

After careful review of the maps which are listed in this publication, as well as a review of other source material from other agencies, we have compiled a list of maps which we hereby request from the CIA to serve as the core of our map library. Enclosed is a list, in numerical order, of the maps we request.

If you or anyone in your Map Services Division has any questions regarding this, please contact Mr. Ward at 224-1742. We would appreciate your cooperation in this effort.

Sincerely,

*RRS*
